

Cassville Schools Pre-K Learning Menu

Week of April 14-17, 2020

(a drawing for carry-out pizza will be held for those who complete the learning menu and let their teacher know by Friday)

Main Dishes (Pick 2 from each)

Literacy Skills

1. Scholastic Learn at Home: [Week 3 | Remote Learning Resources and Strategies | Grades PreK-K](#)
2. [Alphabet Letter Identification Activities](#)
3. Paper Plane Letter Review-Help your child make a paper plane, lay out several different letters then let your child throw the plane and name the letter that it lands closest to. You can challenge him/her by asking for the letter sound and a word that starts with that sound. Another challenge would be for him/her to write that letter on his/her plane. Save your paper plane for shape and number activities this week!
4. Read to your child for 15 minutes each day. Put a checkmark in each box when this is complete.
 Monday Tuesday Wednesday
 Thursday Friday

Colors and Shapes

1. Paper Plane Shape Review-Help your child make a paper plane, lay out several different shapes then let your child throw the plane and name the shape that it lands closest to. You can challenge your child by asking him/her to name or find something that is that shape and also by having him/her try to draw the shape on the plane.
2. Go on a color scavenger hunt-find an object for each color (red, yellow, pink, green, purple, orange, blue, black, brown, gray, and white) Try this once inside and once outside. Which place was easier to find things?
3. [Color game - Preschool Games](#)
4. [Preschool Shape Games | Turtle Diary](#)

Math

1. Paper Plane Number Review-Help your child make a paper plane, lay out several different numbers then let your child throw the plane and name the number that it lands closest to. You can challenge you child by asking him/her to count to that number or find that many things. You might also have your child try to write the number on the plane.
2. https://teaching2and3yearolds.com/easy-ways-to-build-toddler-and-preschool-math-skills-at-home/?ck_subscriber_id=200552045
3. Sort objects around the house by color, shape, size. A few examples are sort change, cereal, or candy.
4. [Preschool Learning Games, Ages 3 - 4](#)

S.T.E.M. Side Dishes (Pick 2)

- Makerspace:** [Stem activities you can do at home.](#)
1. **Makerspace:** [Stem activities you can do at home.](#) This website has 3 weeks of STEM activities to choose from. STEM activities include science, technology, engineering, and math.
 2. What kitchen objects will float in a bowl of water?. What kitchen objects sink?
 3. Fill an ice cube tray or a small bowl with water or for a fun treat juice! Observe what happens to it. If you used juice then enjoy the tasty treat!
 4. Experiment with pouring 1 cup of water into different size containers.

Dessert (Pick 2)

 - www.Gonoodle.com
 - www.starfall.com
 - www.brainpop.com
 - www.mathgames.com
 - <https://www.storylineonline.net/>
 - www.splashmath.com
- Challenge your child to identify items by smell.

Choose 3 activities of your choice and complete.

ART

Rainbow Art:

This week we are going to focus on rainbows. We are going to have a rainbow race. Find a friend to play with. Now you will pick an area to place your items. You will start by finding something the color red and bring it to the area.

Then following the same directions with orange, yellow, green, blue, and then violet.

Then draw a pretty picture of a rainbow or one with a rainbow in it.

Music

Our Preschool Website also has some great resources: [Home Page](#)

Tissue dance

Have your child place a tissue on his/her head and turn on his/her favorite songs.

The rules are simple: he/she can do any movement they like, as long as that tissue stays put.

PE

[Musical PE For You and Me by Patty Shukla I Nursery rhymes, kids songs for Children I Dance and Sing](#)

Technology

[Five Ways to Use Technology for Preschoolers](#)

Library

[Welcome to StoryPlace I StoryPlace](#)
Storyplace.org this is a great website that has a number of online stories and interactive activities for preschoolers and elementary-aged students.

Speech & Language

Let's go on a Rainbow Scavenger Hunt! Find something: red, orange, yellow, green, blue, and purple!

Flex Learning Activities

- Reading aloud and independent reading
- Board games and challenges with math/strategy/critical thinking
