 Starfall Math Link:
<https://www.starfall.com/h/math0/>

- *Find or make a cozy spot in your house and read 3 books with a family member.
- *Draw a picture of 5 things (example: food, family, toys) and come up with 2 words that rhyme with each word.
- *Have a family member read a book to you. Count how many periods, question marks, and exclamation points are in the book. Which punctuation did you see the most of?
- *Walk around your house and find all the things that start with the letters: D, M, and S.

- *Draw a picture of your favorite thing to do and label 6 things in your picture.
- *Make a label or pattern book about what you will do on summer vacation.
- *Write the alphabet, upper and lowercase letters. Write the uppercase in green and the lower case in purple. (Aa, Bb, Cc)
- *Write your last name 5 times using chalk, markers, pencil, or pen.

- *Write the numbers 1-20 on note cards or pieces of paper. Turn them over, pick 1, say the number, and do an exercise that many times (example: 4 jumping jacks, 10 hops).
- *Make a necklace using string and cereal, beads, or noodles. Make it into a pattern.
- *Use a deck of cards or the numbers you wrote above on note cards to make greater than, less than, or equal to number sentences.
- *Count to 50 by 1's, and count to 100 by 5's and 10's.

Brain Gym Side Dishes (Pick 2)

- *Practice tying your shoes and your parent's shoes.
- *Practice cutting straight lines, wavy lines, and shapes out of paper.
- *Practice skipping, hopping, and walking backwards relays with your family.
- *Whatever large outside play equipment you have, practice for 10 minutes or if you have a bicycle ride for 10 minutes.

Dessert (Pick 2)

Choose 3 activities of your choice and complete.

ART

This is a very special weekend to celebrate someone who is near and dear to you. For some of you it is your mom, others it might be your grandma, your dad, or another amazing lady in your life. It is Mother's Day. Below are a few links that might give you a few crafty ideas of how to celebrate.

Music

Google Classroom Code: dyoqowe

Without using words to sing, perform one of your favorite songs for someone in your home. Think humming, whistling, ooo's, etc.

Think of your favorite time in music class this year. Tell me what made it your best memory -- the song was meaningful, the dance was fun; tell me why it was the best memory.

P.E

Warm up by running back and forth either in the yard or in your house. Do your Cassville Wildcat exercises to warm your muscles up!

Do these exercises 4 sets of 10 each.
(Jumping Jacks, Push-ups, Sit-ups)

Game of the week is Softball/baseball. Work on hitting off a tee if you have one. If a family member is pitching it to you, use a wiffle ball to hit and work on your swing. If you have a glove play catch using a baseball glove.

Technology

Click [HERE](#) to go to our Technology Class Website. Complete the activities on the #11 page.

Library

Read in a creative place! Here are some ideas:

- in a fort
- under a tree
- under the table
- with a flashlight
- on a swing

Speech & Language

Print hunt! Find all 26 letters in your house! Once you find a letter, write it and practice the sound that it makes. Look in your pantry, on your toys, on the cover of your movies, in your books, etc. HAVE FUN!

Flex Learning Activities

- *Write a letter to a friend or family member and mail it to them or email it.
- *Think of 4 ways you can be helpful to your family this week. Pick 1 and draw a picture of what you did.
- *Mix vinegar and baking soda together and see what happens. ASK AN ADULT FOR HELP AND PERMISSION!!
- *Design a paper airplane and see how far it flies.
