

Cassville Schools Kindergarten Learning Menu for Reading, Writing, and Math

Week of April 13-17, 2020

Main Dishes (Pick 2 from each)

Reading

1- Either read to your child or have your child read a book to you. After reading have your child:

Retell the story:

- Start at the beginning
- Include all major parts
- Put the story in order
- Use characters' names (people and animals).

2- Read a book to your child or have your child read a book to you. Ask your child if the book is nonfiction (real) or fiction (not real). Ask what in the book let your child know if the book is nonfiction (real) or fiction (not real). Example: Your child might know the story is fiction because the animals were talking.

3- Write lowercase and uppercase letters on pieces of paper. Play a matching game with them. Say each letter and its sound as it is turned over.

4-Phonics Digraph Paper Attached

Writing

1- Write and illustrate an asking sentence for each sight word:

- get
- am
- look

2- Write a story about your favorite vacation. Use the enclosed booklet.

3- Make a list of everything you can see in a park. Illustrate your list.

4-Create a list of alike objects around the house with the attached List Paper. Example: toys, candy, cereal, etc.

Math

1-Tally marks: Count the number of 2D Shapes found in your house (square, triangle, circle, hexagon, rectangle) by making tally marks. Example: squares: 4 , hexagon: 2, circle: 6, rectangle: 7, triangle:6

2-Start & Stop Counting: Pick a number 1-100 and have your child start counting and then pick another number 1-100 that is greater than the previous number, and have your child count to that number. Example: 15 to 43, 75 to 100, 40- 92

3-Water Can Addition Paper- Attached

4-Sort your Easter Eggs: color, size, design, amount
 -Which group has the most?
 -Which group has the least?
 -Are any groups equal?

ART

Rainbow Art:

This week we are going to focus on rainbows. We are going to have a rainbow race. Find a friend to play with. Now you will pick an area to place your items. You will start by finding something the color red and bring it to the area.

Then following the same directions with orange, yellow, green, blue, and then violet.

Then draw a pretty picture of a rainbow or one with a rainbow in it.

Music

Google Classroom Code: dyoqowe

Do one of our class dances OR do a favorite dance of your own!

Connect with a friend or classmate via text, phone call, Zoom, Google Hangout, Facetime, or whatever other method you want and talk about your favorite song right now.

PE

Warm-up: Cassville Wildcat Stretches and run around the house 5 times.

25 jumping jacks

Jump rope if you can

If raining jump over a pillow 20 times

20 mins of kicking a ball. Passing it to a family member or punting a ball to each other. Working on our legs this week

Technology

Play "Trace to the Beat" on abcya.com.
