Art

Earth Day Celebration!

1. Go for a nature walk. Look at your beautiful surroundings. Draw what you see. It might be your house, a creek, a field, animals. Celebrate your surroundings.
2. Make a sculpture by recycling some items. You could use paper, plastic, sticks, noodles, sand for sand art. You are making something new out of something old.

Music

Google Classroom Code: dyoqowe

Perform one of our program songs from this year or last year for anyone in your home!

Check out these Careers in Music! Which one of these might you be interested in? What are some more careers in music that aren't listed?

[Class Page - havemorefun](#)

Speech/Language Activity:

Read 5 comic strips and underline all the words that contain your sound. Make sure you pick comic strips that have lots of words (not just Boing! Or Bam!). Then describe the comic strips to someone. For an extra challenge, draw your own comic strip.

Flex Learning Activities

- Make a list of items and have a Scavenger Hunt inside or outside
- Board or card games and challenges with math/strategy/critical thinking
- Puzzles
- Designing and building structures with blocks or other available materials (maybe a reading fort)

Title & WIN Time

VOCABULARY

Prefixes come at the beginning of words. They are small word parts that when attached to the base word can create new words. Try to find the following prefixes in the stories you are reading: **pre-**, **re-**, **un-**, **non-**, and **dis-**.
