Plant Science Opportunity:

Gardening by the Square Foot

Click on the link below and watch the video on growing vegetables using the "Gardening by the Square Foot Method". I would encourage you to watch additional videos on youtube to see how different materials can be used to create your garden. The videos below are not the only method but great examples of how to create your square foot garden. I hope you find these videos enriching and you're able to grow some vegetables during your wellness break!
