HS Art Learning Resource Plan

Week of April 27 - May 1, 2020

Painting

- Many of you took supplies home with you to continue working on your paintings. If you need supplies or assistance please email me at twilliams@cassvillek12.mo.us.
- Assignment over the break is to finish your painting. I am just an email away for assistance or we can video conference for personal assistance if needed. Let me know if/when you need help and we will set up a time.

Art One

- Everyone loves to think that drawing is an innate talent. It is learned. It is a way of looking at complicated things and breaking them down. It is TRAINABLE!
- Choose a small item of sentimental value. Could be a childhood toy, your airpods, etc. Place it on a table under a lamp for the best lighting. If not available, place near a good lighting source like a window.
- You should see high contrast in the shadows and highlights. These do two things; A. Helps you shade easier and B. Helps you see the changes in the object's form.
- Draw and render your object.
 - ***Share a response with me on Drive or Paper. Make sure your name and your "hour" are in the title!**

Advanced Art
