# HS Art Learning Resource Plan

Week of May 11th - May 15th, 2020

## Painting

- Many of you took supplies home with you to continue working on your paintings. If you need supplies or assistance please email me at [twilliams@cassville.k12.mo.us](mailto:twilliams@cassville.k12.mo.us).
- Assignment over the break is to finish your painting. I am just an email away for assistance or we can video conference for personal assistance if needed. Let me know if/when you need help and we will set up a time.

## Art One

- Everyone loves to think that drawing is an innate talent. It is learned. It is a way of looking at complicated things and breaking them down. It is TRAINABLE!
- Go Outside! Take a Walk or just go sit in your yard. Look for an interesting composition. It should have overlapping objects and not be centered. Maybe a tree, a bench and some bushes in the yard. Choose an arrangement that you like and draw those this week
- You should see high contrast in the shadows and highlights. These do two things; A. Helps you shade easier and B. Helps you see the changes in the object's form.
- Draw and render your objects

## Advanced Art

- Many of you took supplies home with you to continue working on your paintings. If you need supplies or assistance please email me at [twilliams@cassville.k12.mo.us](mailto:twilliams@cassville.k12.mo.us).
- Assignment over the break is to finish your assignment. I am just an email away for assistance or we can video conference for personal assistance if needed. Let me know if/when you need help and we will set up a time.

- \*Share a response with me on Drive or Paper. Make sure your name and your "hour" are in the title!
