## Week of May 4 - May 8, 2020

### Painting

- Many of you took supplies home with you to continue working on your paintings. If you need supplies or assistance please email me at [twilliams@cassville.k12.mo.us](mailto:twilliams@cassville.k12.mo.us).
- Assignment over the break is to finish your painting. I am just an email away for assistance or we can video conference for personal assistance if needed. Let me know if/when you need help and we will set up a time.

### Art One

- Everyone loves to think that drawing is an innate talent. It is learned. It is a way of looking at complicated things and breaking them down. It is TRAINABLE!
- For the last two weeks we have drawn single items. Now... let's push it. Collect three objects of varying sizes. Place them in an arrangement that has the viewer seeing the objects overlapping one another. Place them on a table under a lamp for the best lighting. If not available, place near a good lighting source like a window.
- You should see high contrast in the shadows and highlights. These do two things; A. Helps you shade easier and B. Helps you see the changes in the object's form.
- Draw and render your objects
  - **\*Share a response with me on Drive or Paper. Make sure your name and your "hour" are in the title!**

### Advanced Art

- Many of you took supplies home with you to continue working on your paintings. If you need supplies or assistance please email me at [twilliams@cassville.k12.mo.us](mailto:twilliams@cassville.k12.mo.us).
- Assignment over the break is to finish your assignment. I am just an email away for assistance or we can video conference for personal assistance if needed. Let me know if/when you need help and we will set up a time.
