

2021 Valentine Gift Delivery Information

Cassville R-IV School District is currently operating at an Engagement Level 2 according to our Return to Learn and ReEntry Plan. In order to minimize community exposure, visitors are not permitted to enter the school buildings. However, COVID-19 will not steal our Valentine JOY! If you plan to send a Valentine gift to school, please note the following guidelines.

1. Gifts for primary, intermediate and middle school students must be dropped off at the FEMA Event Center.
2. Gifts for high school students must be dropped off at the FEMA building located at the north-end of the high school campus.

Drop-offs will only be accepted on Thursday, February 11 during the following time slots:

9-11 a.m.: local business drop-off time

11-12:30 p.m.: parents, grandparents and families drop off time

12:30-1:30 p.m.: final local business drop off time

1:30 p.m.: FEMA buildings will be locked and no additional drop-offs will be accepted.

3. Students and staff will pick-up their gifts at the end of the day. Gifts will not be taken back to their classrooms. If an item is not picked up, it will be returned to the local business that made the delivery.

School is not in session for students on Friday, February 12 or Monday, February 15.

Thank you for helping us celebrate this special day, all while operating in a safe manner!
